

# North Carolina Press Foundation Newspaper in Education Contacts

September 2006

The Newspaper in Education (NIE) program promotes cooperation among North Carolina's daily and community newspapers in serving schools, literacy programs, and other community education efforts and works in partnership with other businesses and education agencies. NIE services include ten-hour credit workshops and accompanying instructional material.

The state NIE program is a project of the North Carolina Press Foundation (NCPF), a non-profit organization formed in 1995 by merging in N.C. NIE Foundation and the First Amendment Foundation. NCPF is affiliated with the North Carolina Press Association and North Carolina Press Services and serves NCPA member newspapers.

To learn more about the Newspaper in Education program at a newspaper near you, see the list below or call the newspaper you want to use. If you are interested in learning more about NCPF-NIE workshops or projects, contact: NCPF, NIE, UNC-CH, School of Journalism and Mass Communication, Campus Box 3365, Carroll Hall, Chapel Hill, NC 27599-3365.
